Winner - Kevin Chu
RMcrew 01/80 to 05/80

Kevin reported in his survey that he will not be able to attend the Reunion. Sad as we are that he will not be able to join us, he helped us a lot by letting us know his plans. Kevin was part of Regina's Caribbean Silver Banks scientific crew in the winter of 1980 and sailed as a deckhand to Boston that spring.

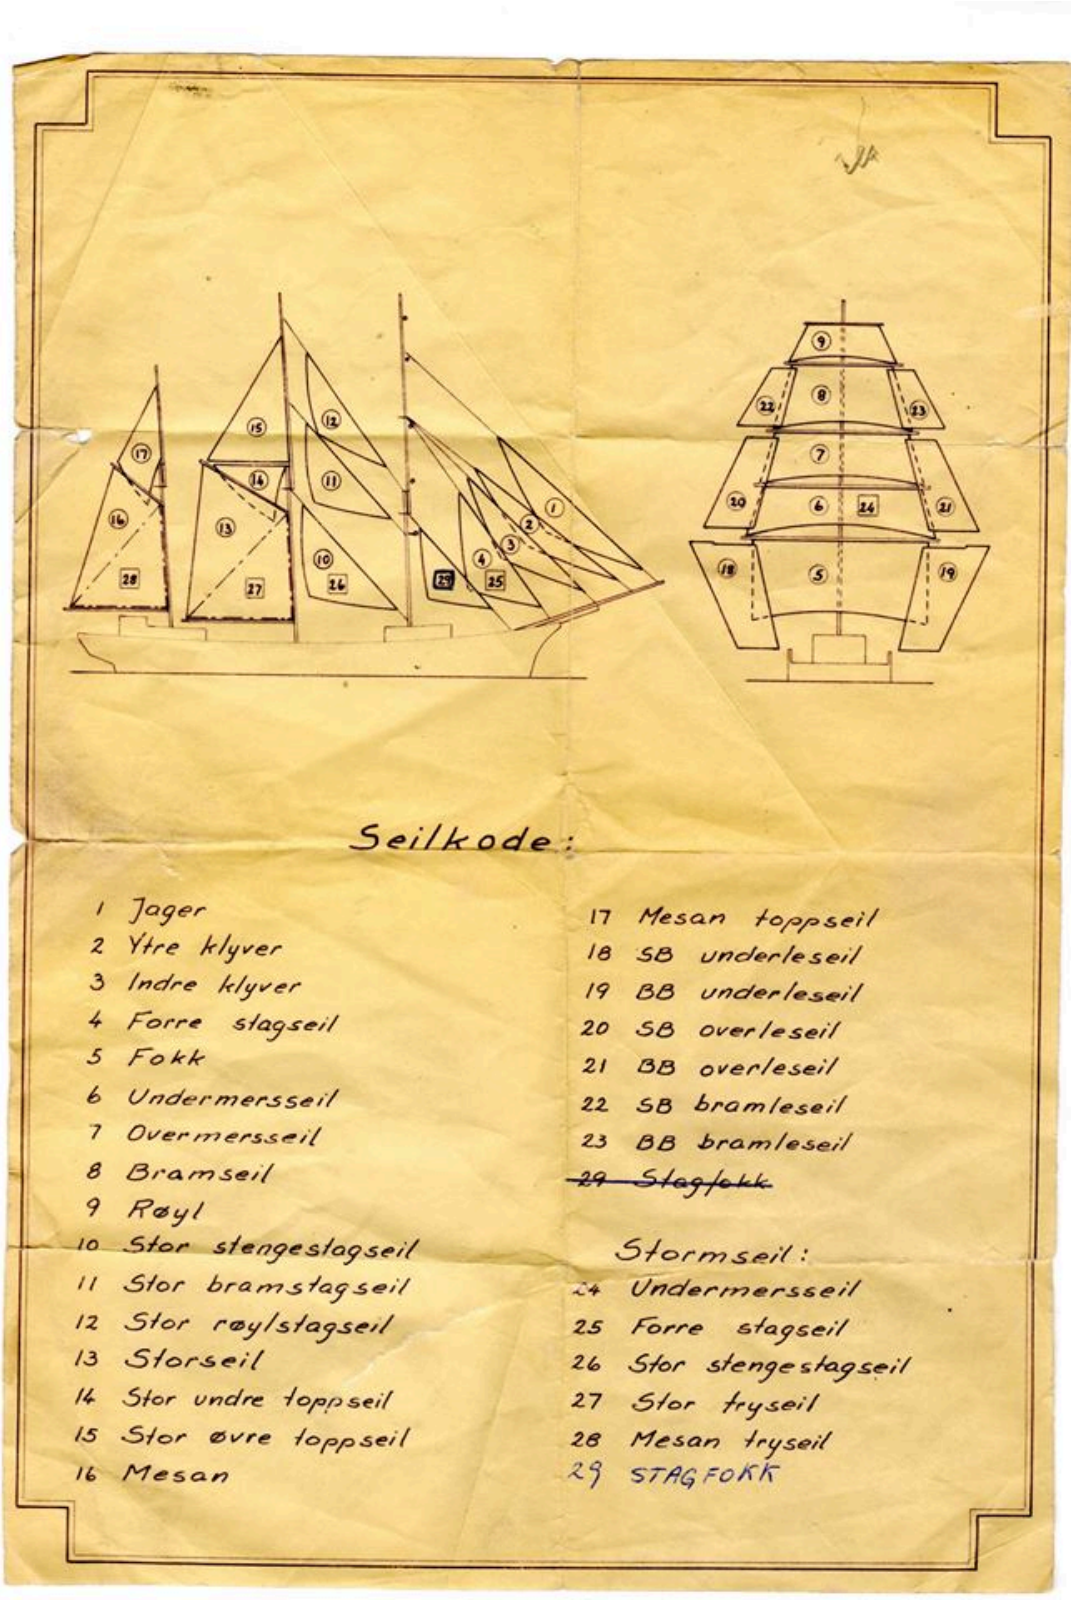
RM HISTORY

Wilson Era Sail Plan (late 1960s)



Terry Leggett (RMcrew Wilson Era) shared this sail plan on the Friends and Crew of Regina Maris Facebook Group, Terry wrote,

"On going through some old photos, I found this. It`s the original sail plan given by Wilson to the English and German Crew members to learn. All I remember - It was quicker to understand being sworn at in Norsk-German and English when he realized what nationality we were."

AROUND THE WORLD

Wilson Era circa 1966

Coming Soon!

Another Regina Maris Replica Tshirt is on the way! Pictured here is First Mate Peter Wilson from when Regina circumnavigated under the command of Captain John Aa Wilson. Our shipmate, Roger Callan, who was on board at the time, supplies this background, "The history of the shirt was, that an artist member of the crew (Norway to Lisbon-May 1966) designed and made the stencil to print the graphics on to the t-shirts. According to the tag on my shirt, which is #16, the white t-shirts came from Portugal so they must have been purchased there. The printing was done by hand on-board using the hand cut stencil and adjustments were then made to correct any faults. I have 2 shirts, one was a prototype and is well worn, and one, the original # 16 with my name on the hem."

For this second Regina Maris Replica Tshirt, we have lifted the graphic design directly from one of Roger Callan's original shirts.

This is such a cool shirt, we are going to use it as a fundraiser for the Reunion. When the Tspring.com shirt campaign is announced, we plan to share the opportunity to buy the shirt with the traditional boat and tall ship community, getting the word out on social media and your promotion via friends and family. More on this soon.
